News

Program Ads are due November 5th! If you own a business or want to visit businesses, this is an amazing fundraiser! Almost all proceeds go to your dancer (and it's a tax write off for businesses!). Check Band for more information.

Student Shout-Outs are also available to purchase and put in our recital program!

Recital tickets are available for pre-order! Seats are assigned so order soon to secure your spot! It is recommended that a parent attends each show for our Intro and Peewee dancers so they can sit with a parent. If there is no parent able to attend both shows the students will be seated with a backstage volunteer.

Recital Shirt order is open until November 9th! The basic recital shirt is included in your All-Inclusive payment plan. Check the link on Band to pick the color you want and to get the code to get it free! If you want to add extras (ie: dancer's name) then there is a small additional charge.
